The Mission of Abilene USD 435 is to help all students become successful and responsible lifelong learners in a changing world.

ACADEMIC ACHIEVEMENT LIST

At the end of each 9-week grading period, Abilene Middle School will recognize academic achievement through the AMS Honor Roll. This list will be posted on the Academic Achievement Display bulletin board and will be published in the local newspaper. The honor roll will recognize achievement at three levels.

- Gold Card - 3.8 GPA through 4.0 GPA
- Orange Card - 3.5 GPA through 3.79 GPA
- Blue Card - 3.0 GPA through 3.49 GPA

If you earn one of the Academic Awards Cards, you will earn:

- Front of the lunch line privilege (gold only)
- Recognition Certificate

If you lose or destroy your Academic Award Card, you can purchase a replacement card with Longhorn Bucks.

ACADEMIC AWARDS

Students will have an opportunity to be recognized at the end of the year for academic performance. A student must earn six points during the **first 3 quarters** to earn this recognition (Night of the Stars).

- Gold Card = 4pts.
- Orange Card = 3 pts.
- Blue Card = 2 pts.
- High Five Award = 2 pts.

HIGH FIVE AWARD

If you improve your GPA by .5 from one nine-week grade period to the next, you will earn a “High 5” award.

LONGHORN BUCKS

Students can earn Longhorn Bucks by

- **Being Responsible**
- **Being Respectful**
- **Giving Their Best Efforts**

Students who exhibit these traits can spend their LH Bucks in the school store, in individual classrooms, and/or on the “End of Year Reward Trip” (40 LH Bucks).

GRADING

The grading system at Abilene Middle School is as follows:

- A = 100-90
- B = 89-80
- C = 79-70
- D = 69-60
- F = 59-0

Any student receiving an F in a class for the entire school year may be recommended to attend summer school.

PROMOTION/RETENTION

Students must successfully complete five (5) credits of school subjects in order to be promoted to the next grade level. For promotion purposes, a student will receive .25 credit in each class passed at the end of each nine weeks (e.g. Art = .25, Math = .25, etc.)

Any student not having five credits at the end of the year may receive promotion to the next grade level by attending summer school and successfully completing course work during the summer. However, summer school will only be held if there is an adequate number of staff available to teach.

After being retained once at a specific grade level for a second year, if a student still does not meet the requirements for promotion, a committee composed of the building principal, counselor, teachers and parents will be convened to consider the matter of student promotion. The building principal will have the final authority to determine promotion or retention of a student.

Eighth grade students wishing to participate in Recognition Night activities must have five credits by the end of the year to participate. During the last week of school the office will inform those students who are not eligible to participate.

ACADEMIC ELIGIBILITY

We believe at Abilene Middle School that extracurricular school activities are a great way to get involved in your school. However, it is also important to understand that academics come first before extracurricular activities. To participate in extracurricular activities, students must be successfully passing the required number of classes. For specifics of eligibility, please see the Abilene Middle School Athletics handbook.

ATTENDANCE

Regular and punctual attendance is expected and required of all AMS students. Student absences will be recorded based on the following:

If you become sick during the day and must go home, report to the office before leaving school. **NEVER LEAVE THE SCHOOL BUILDING OR SCHOOL GROUNDS WITHOUT REPORTING TO THE OFFICE!**

BEHAVIOR EXPECTATIONS

At AMS we believe that all students are capable of behaving in an acceptable manner. Being a part of a school means accepting limits on behavior and following various rules and regulations. You will find below various behavior expectations that we must insist you meet. The behavior expectations below are not all-inclusive; this means not all inappropriate behavior for school is listed.

SCHOOL CONDUCT

We expect all AMS students to be respectful towards their fellow students and any staff member who works with them during the school day or at any school activity. Courtesy, good manners, and proper care of books and equipment are a part of showing respect! Respectable language is a must! Street talk is not appropriate or allowed at AMS in the classrooms, the hallways, or outside the school. Do not use it!

“HANDS OFF”

We expect you to keep from pushing, shoving, and grabbing each other while you are here at AMS. Sometimes a fight or scuffle breaks out from just “fooling around.” So remember to **KEEP YOUR HANDS TO YOURSELF!** This helps us all out!

TOBACCO/ALCOHOL

The unlawful possession, use, sale or distribution of controlled substances (tobacco in any form and/or electronic cigarettes) and the possession, use, sale or distribution of alcohol by AMS students will not be permitted in school, on school grounds or at school sponsored activities. **Violation of this policy will result in an out-of-school suspension on the first offense.** Future violations will result in a five-day suspension. Repeated violations may result in expulsion from school.

ILLEGAL DRUGS

A student shall not knowingly possess, sell, use, transmit or be under the influence of any illegal drug of any kind. Possession of illegal drugs or being under the influence will result in suspension or expulsion. Law enforcement will be notified.

THEFT

Taking, using, or borrowing another person's property without permission is called stealing. With or without locks, we all have rights of ownership and should not have to fear having our property stolen. **Let's be honest!** If we find something, let's return it to the owner. The theft of student, teacher, or school property could result in suspension from school and serious problems with theft could possibly lead to expulsion.

POSSESSION OF DANGEROUS DEVICES

The possession of dangerous devices (e.g. weapons) is strictly forbidden! The possession of a dangerous device will result in suspension out of school and could result in a recommendation for expulsion from school.

ETHICS AND HONESTY

The teachers at Abilene Middle School believe AMS students are capable of producing authentic work. Also, we believe students should be held to a high standard of behavior. Consequently, we will not tolerate cheating, copying other students' work, or plagiarizing.

Plagiarism is "to steal and pass off as one's own the ideas or words of another" (*Webster's Seventh New Collegiate Dictionary*). To avoid plagiarizing, a student must give credit to the source if the information is not common knowledge. When paraphrasing, a student must reword so the resulting product has no resemblance to the original wording or sentence structure.

The consequences for all other instances of cheating will result in a zero on the given assignment and parent contact by the teacher.

IN-SCHOOL SUSPENSION

Students who are consistently having or creating problems in school that interferes with any part of the school program may be placed on in-school suspension. Students will be placed on in-school suspension by the principal or her designee. Students on in-school suspension will be expected to be quiet at all times and work on assignments from daily classes. Students who do not cooperate while on in-school suspension will be sent home and may be suspended for a length of time out of school.

DETENTION

Students may be assigned detention time by the principal or by teachers. This detention time should be served on the day it is assigned (or the next day if not possible) after school beginning at 3:00 P.M. Students assigned detention time will be given one day to arrange for transportation. Students failing to attend detention will either have their time increased or be placed on in-school or out-of-school suspension. Detention will be held on a daily basis unless otherwise announced.

AMS RULES

DRESS CODE

Good grooming and tasteful appearance reflect well on the school and students of Abilene Middle School. Therefore, students are expected to dress with discretion and appropriateness for the classroom and school functions. The teachers and principal will reserve the right to determine appropriate attire for school. Clothing that is too revealing or clothing that has pictures or slogans of suggestive, indecent, or profane or violent nature are not allowed. Clothing which reveals a significant amount of the torso and spaghetti-strap tops are not acceptable. Shorts that are objectionable because of length, style, or cleanliness are not permitted. Sagging pants/jeans are unacceptable. Students will arrange for a change of clothing before attending class when any of the above dress code items are violated.

PHYSICAL EDUCATION

Physical Education (PE) is an extremely important part of a student's total school program. Most students will take PE sometime during the school year. All students enrolled in PE will be expected to suit up for PE class each day in appropriate PE gear and participate. Appropriate dress means clean gym shorts, T-shirts, sweats, socks and gym shoes. Students should write their names on all PE clothing and keep all items locked up at all times.

LOCKERS

Each student will be assigned a locker in working condition and is responsible for the use and care of it. Defacing and/or damaging a locker is not acceptable and will result in disciplinary action. If you should experience mechanical problems with your locker, please contact the office. Each student must use the locker that is assigned. Please do not share your locker combination with other students. Please do not kick lockers open. **Lockers are the property of USD 435 and are subject to search at the request of the principal.**

SCHOOL BUS POLICY

The school buses will arrive at various times each day and will leave AMS about five minutes after the end of the school day. Students who ride the bus are responsible to AMS for their behavior and conduct while on the bus. It is the responsibility of each student who rides the bus to follow the rules and regulations explained by the bus driver. Students who do not follow the rules will lose their bus riding privileges. During suspension or expulsion from the bus, parents will be responsible for transporting the student to and from school and all extracurricular activities.

OFFICE TELEPHONE

Students may gain permission to use the office phone. However, this should occur only when absolutely necessary. Office staff retains the right to deny office telephone use to students who misuse the phone. Students will not be called to the phone from class except in the case of emergencies. The office staff will accept messages and deliver them when necessary.

SCHOOL PROPERTY

The equipment you use in our school is in good repair. We all have a job to do in keeping Abilene Middle School clean and functioning properly. So help out! If you see trash on the floor, throw it away! If you see writing on a locker or wall, let us know.

SCHOOL NURSE

The school nurse maintains an office in the AMS office and is in the building for a period of time on a daily basis.

Prescription medication and over-the-counter medication must only be dispensed under the authority of the School Nurse's guidelines. Not following these guidelines could result in suspension.

School officials, including the school nurse, are not authorized to administer aspirin or other over the counter medications. In circumstances where medication is necessary for students to remain in school, whether it be "over the counter" or prescription, the school will cooperate with parents in the supervision of medication needs. Parents of a middle school child must submit a "Request to Administer Medication in School" form to the school nurse for a school official to give medication, regardless of whether it is a prescription or nonprescription medication, which releases the school district and personnel from liability.

Should prescribed medications be necessary, the medical persons prescribing the medication must send a written request to the building administrator indicating the medication or treatment (permission for medication slips are available at local physicians or principal offices).

We ask that all medicine be in the original container, or a second container requested by the parent from the pharmacist, when providing for school use. Please note the exact time of day and reason for the medication to begin. The student should have had at least one dose of the medication before taking the medication at school.

The school nurse will be responsible for the overall administration of all medication in schools, and may, in her absence, delegate this to a secretary or teacher. School districts are discouraged by state health officials from giving any medication, and we would encourage parents to limit the medications sent to school with students or requests of the school to dispense medication.

Medications may be given to students during school hours in accordance with the Illness and Medication policy of USD #435.

EMERGENCY SAFETY INTERVENTIONS

Abilene Middle School is committed to limiting the use of emergency safety interventions such as seclusion and restraint with all students. Seclusion and restraint shall only be used when a student's conduct necessitates the use of emergency safety interventions. Abilene Middle School encourages all staff members to utilize other behavioral management tools, including prevention and de-escalating techniques and positive behavioral intervention strategies.
